## KENTUCKY HERITAGE QUILT SOCIETY

### History

In 1981, a group of quilt lovers, quilt makers and quilt collectors joined together to form the Kentucky Heritage Quilt Society, the first statewide organization to be concerned with all aspects of quilting throughout the Commonwealth of Kentucky. Since that small beginning, our individual membership has grown with members in almost every county and almost 50 affiliate guilds.

### Purpose

To promote understanding, appreciation and knowledge of the art and craft of quilt making.

To support and expand the collection and preservation of Kentucky quilts and the records of Kentucky quilt makers and their work.

To undertake such activities as shows, contests and educational workshops.

The Kentucky Heritage Quilt Society is an equal opportunity organization whose membership enrollment does not discriminate on the basis of gender, age, race, or religion.

### Activities

Workshops are held at the annual KHQS Meeting & Getaway in June. Each fall, quilters gather with a nationally known teacher for the three-day KHQS Quilting Adventures.

KHQS, along with QAK and KHAS hold several retreats throughout the year.

Quilt Registry Days are held in counties across Kentucky. From these, information of use to the academic and museum world is collected and stored at the Kentucky Museum in Bowling Green.

KHQS has organized 13 districts across the state. District Leaders create the link between local, state, and national quilters. National Quilting Day, which had its beginnings in Kentucky, is celebrated on the third Saturday in March. KHQS Districts celebrate this special day with Quilters' Day Out events in each district across the state.

In 1995, the Kentucky Heritage Appliqué Society (KHAS) was formed as an auxiliary group of KHQS. Its purpose is to promote the techniques, appreciation and preservation of hand and machine appliqué. In 2004, the Quilt Artists of Kentucky (QAK) formed with the purpose to serve as a support and information group for innovative quilters who choose to practice creativity with quilts as an art form; to educate about the art of the quilt; and explore venues for art quilt exhibition. Members of these groups must also be members of KHQS.

KHQS actively works to keep the art and craft of quilt making alive by providing judges, teachers and demonstrations at shows and special events. KHQS offers financial assistance to affiliate guilds who hold quilt shows. Scholarships are offered for the annual Quilting Adventures. Each year members can participate in quilt block contests and a quilt challenge. The challenge quilts then become a traveling exhibit viewed by thousands of people over the course of a year.

### Newsletter

The newsletter is published four times a year for the membership. The newsletter is full of information about the quilting world, up-coming shows and exhibits, free patterns and, of course, up-to-date information on all KHQS activities.

### Dues

Individual KHQS membership dues are \$20.00 annually. Guilds and quilt clubs may also join as KHQS Affiliates for an annual fee of \$15.00. Dues for the Kentucky Heritage Appliqué Society and Quilt Artists of Kentucky are both \$5.00 annually. Contributions are always welcome. Individual members are given discounts to lectures workshops hosted by the Society.

## **How can you help at Getaway?**

It takes many hands to make Getaway successful, and KHQS is fortunate to have numerous talented and helpful volunteers who assist in large and small ways. Would you like to help this year? Listed below are a number of activities where you can support our event.

- Help with our new Silent Auctions! Our fund raising chair, Kathy Wantland, can always use an extra pair of hands.
- Donate items for the auction, door prizes, KHAS White Elephant table, and other prizes. No donation is too small or too large!
- The front registration desk must be occupied at all times during Getaway. You can volunteer to be at the desk for some amount of time (1 or more hours)
- Escort the featured teacher between her hotel and the Convention Center during Getaway.
- Transport the featured teacher from Nashville airport to Cave City, and/or return to the airport.
- Make announcements at meals.
- Bring irons, ironing boards, cutting mats, or rulers to be used in classes and Sit and Sew.
- Be a class monitor. Take roll and assist the teacher.
- Assist with showing Challenge quilts or blocks during meetings.
- Other assorted tasks, just make yourself available.

If you would like to help out at Getaway, just give me a call or send an email. All help is appreciated and I am see everyone there!

## **GETAWAY 2022**

### **Kentucky Heritage Quilt Society Annual Meeting**

#### **Welcome!**

On June 15-17, KHQS Annual Meeting and Getaway will once again convene in Cave City, KY. Our meetings, classes and meals are located in the Cave City Convention Center. Lodging is less than a quarter mile away. All facilities are handicapped accessible and have adequate parking.

#### **General Schedule Information**

Registration begins at **7:00 am** on Wednesday at the Convention Center. First day classes will start at **8 or 9 am (verify your class schedule)**. Thursday and Friday classes will begin at **8:30 am** so we can fit in more fun! KHQS, QAK and KHAS annual meetings are held during Getaway as well. Getaway ends at 4pm on Friday. Be sure to check out the General and Class Schedules for specific times.

#### **Challenges, Activities, and Vendors**

Challenge quilts, block contests, games, and door prizes will add to Getaway enjoyment! Back by popular demand, the Kentucky Quilt Company will be here once again with a large selection of fabrics and tools. Be sure to call for any needed supplies so they will be ready for pickup when you arrive in Cave City. Quilter's Trunk is returning to keep machines running during Getaway and to sell you that new machine you've been wanting. Snippy Jim will be here all day on Wednesday and on Thursday morning to sharpen all your scissors and knives. See details on the vendor pages.

#### **Accommodations**

The Comfort Inn and several other hotels in Cave City were damaged by the tornado earlier this year and are unavailable. We have blocked rooms at the Sleep Inn and at the Hampton Inn. Make your reservations for lodging at Sleep Inn (\$90-95.00 +taxes) or at Hampton Inn (\$124-134.00 + taxes). All options offer free breakfast. See details and reservation information later in the brochure. Reserve your room early.

### **Classes**

The class descriptions include a supply list and skill level to help in the decision-making of which classes to take. If you have questions or want more information, feel free to contact the teacher of that class. We have a wide range of classes this year, so there's bound to be something that catches your eye! Classes will be filled on a first come/first-served basis. Confirmations will be sent by email unless you request standard mail.

### **White Elephant Sale**

KHAS is continuing the tradition of the White Elephant Sale by accepting donations from anyone who wants to clean out some of those UFO's, unused tools, out-of-date material, etc. from their sewing rooms and donate them. Just bring your cast-offs to Getaway where they will be sold. All proceeds will be used to fund future KHAS activities. Why not let your trash be someone else's treasure!?! Also, don't forget to bring a few extra \$\$\$ to spend at the sale!

### **QAK annual meeting**

Every year, Getaway also hosts the QAK annual meeting. This year the meeting is scheduled at 4:15 pm on Wednesday, following classes.

### **KHAS annual meeting**

KHAS also has an annual meeting. This year it is being held on Thursday afternoon at 4:15 pm. The meeting offers time for Show and Tell. While KHAS does not have any challenges this year, we encourage members to bring in their favorite applique quilt or wall hanging. Voting will take place and a Viewer's Choice award will be given to the winner.

### **Fundraising**

Check out the Fund-Raising Table in the main meeting room area for merchandise and all kinds of quilting "goodies"! All proceeds support the activities of KHQS, so be ready to participate in fun games, activities, and surprises that are being planned for this year's Getaway!

## Our Featured Teacher: Krista Moser

Krista Moser is the creative force and inspiration behind The Quilted Life. A quilting and fiber arts enthusiast, she started sewing at 8 years old sneaking off to the sewing machine during her Mom's nap time. Since she couldn't read patterns, everything was made from her imagination propelling the creativity and the innovative design she is known for today.

She began her professional sewing and machine quilting career at the spunky age of fourteen adding the texture and dimension machine quilting brings to every project.

Krista's work has been featured in quilting magazines, published by Martingale Press, and hung in prominent quilt shops around the country.

She is the designer of the Creative Grids 60 Degree Diamond Rulers and has been teaching sewing and quilting lessons for more than twenty-five years. She is wild about all things quilting and loves to share her passion.

Come learn from Krista all the tips and tricks for cutting and piecing diamonds, triangles, and hexagons in an easy, fast, and precise way. If you have been wanting to break out of the same old quilting routine and try something different, her classes will inspire confidence and equip you with new techniques.

Achieve a complicated architectural look without all the fussy piecing and no Y seams. Come learn from Krista all the tips and tricks for cutting and piecing trapezoids and triangles in an easy, fast and precise way. If you have been wanting to break out of the same old routine and try something new, this class will inspire confidence and equip you with new techniques.

### **Supply list (continued)**

Spray Starch (your choice, it makes working with those skinny pieces easier)

Fine point permanent marker or pencil

Straight pins

### **Fabric for 51" x 54"**

1 jelly roll with 40 - 2 1/2" strips. I used Kona's Mermaid Shores Palette.

Choose a jelly roll with at least 20 different colors. I suggest solids, something that reads as solid, or a batik collection in palettes that blend from one color to the next. Jelly rolls in many color palettes are available at your local quilt store, favorite on-line store, and Amazon.

### **Don't open your roll until class!**

1 yard of neutral color for filler strips\* - I used a grey in this quilt.

1 yard of a color that coordinates with your jelly's palette. This can be the same or different from the color of your strips. This will make a quilt 51" x 54". If you'd like a bigger quilt, figure that into your yardage.

1/2 yard for binding is not required for class

3 3/4 yards for backing are not required for class.

### **Bio—Jane Adolf**

Jane's mother taught her how to throw a baseball, not how to sew. So, Jane didn't start her quilting journey until she retired from teaching in 2010. Since that time, her quilts and gourd art have won many ribbons at the Shelby County and Kentucky State Fairs, and two of her quilts have appeared on Fons and Porter's Love of Quilting. Jane has taught numerous quilting classes on-site as well as virtually during the last several years. Her small business, Sweet Waddy Jane, has become an outlet for her creative endeavors as well as a great excuse to buy more fabric. She is a member of KHQS, AQS, Louisville Modern Quilting Guild, and Kentucky Cover Lovers.

<b>Round &amp; Round We Go</b>	Sarah Frye Email questions to Sarah at <a href="mailto:sfrye@ckycs.biz">sfrye@ckycs.biz</a>	All	Friday, 6/17  KY Room A

In this class you will learn a no hassle method for sewing circles using the decorative stitches on your sewing machine. No special attachment is required for this class; however, if you own a circle attachment you may bring and use it. The attachment does not limit the diameter of your circles. This is a fun way to experiment with decorative stitches, with different colors and kinds of thread. You will learn to prepare your block so it will rotate on its own and to appliqué circles on to a background using decorative stitches. This is a fast and fun way to make a quick child's gift or a charity quilt and use those odds and ends of fabric that are really pretty and fun not enough for a major project.

**CHECK KHQS.ORG FOR AN UPDATED OPTION TO THIS CLASS!**

#### **SUPPLY LIST:**

Paper scissors    Fabric scissors  
Sewing machine with zigzag foot and new needle  
Extra bobbins  
Regular sewing supplies and tools  
Lots of colorful threads, various kinds if you wish  
One 14" square of fabric per block for the background  
Two or three smaller squares per block, 8" to 10" for the smaller circles

*(continued on next page)*

**Bio – Sarah Frye**

Sarah has been quilting since she taught herself the basics in 1982. Prior to that time she made all of her own and her daughter's clothing and taught clothing construction. She also had ten years of experience as an interior designer before giving that up to quilt full time. Her quilts tend to be contemporary more than traditional and are distinguished by her use of bright colors and black and white fabric and techniques carried over from sewing clothing.

She frequently teaches friends new techniques or patterns and has taught in several quilt shops in the area, at numerous guild meetings and workshops across the state and at the Jabez Quilt Seminar, Redbud Quilt Festival, Sewing Expo and KHQS Getaway. She loves sharing her knowledge and skills and her students get the added bonus of learning from her extensive repertoire of short cuts, hints and ideas.

**Fabric list:**

(40) 10" background squares (3 yards cut into 10" squares)

**Bio - Vicky Hartley** was inspired by her great aunt who taught her to hand embroider as a teenager and later taught her to hand piece her first quilt top, Tumbling Blocks, in 1980. After many years of craft sewing, hand embroidery was still her passion until she discovered and purchased her first sewing and embroidery machine in 1995. In 1997, Vicky started working full time for the local sewing center. In 1998, she fell in love with foundation piecing and in 1999 she helped start an area quilt guild. Vicky has been an Event Coordinator since 2003 as well as teaching weekly quilting, sewing and embroidery classes to individuals and groups. She donates her time teaching quilting and embroidery classes at the Project Linus National Convention each year since 2007. Since the purchase of her long arm quilter, Vicky no longer lives by the motto "Once the top is done, the quilt is done".

<b>Paper Doll Quilt</b>	<b>Judy Hobbs</b> Email questions to Judy at jjhobbs@wk.net	All	Wednesday, June 15 Ky Rm A

Let Judy know in advance if you want to make a boy paper doll quilt.

Were you one of those children who played with paper dolls when you were young? Create a paper doll quilt and share those memories with a special young girl (or boy). In this class we will construct a paper doll quilt. Using a pattern, you will create your doll, fuse it to your background, paint her face, and begin making various outfits in which to dress your doll. You may choose the hair style (long or short) and color of hair matching the person for whom the quilt is created. Your doll will be dressed in its underwear on the quilt. The rest of the

class we will follow basic patterns to create a wardrobe for the doll, including shoes, hair bows, jewelry, etc. Let your creativity soar!

### Supply List:

1. Background material—1 yard of 45" wide, a light neutral material that will go well with the various colors of the doll clothes (I used a light blue green marbled material).
2. ½ yard for borders—choose a dark color that will frame your quilt
3. 1/3 yard of flesh color—I used light peach
4. 5 yards of lightweight iron on interfacing
5. 1/3 yard of fusible—my favorite is Soft Fuse *(cont. on next page . . .)*

### **Paper Dolls, *continued***

6. Package of sew on velcro, which we will attach to doll clothes
7. Various colors and types of material from which to make clothing  
corduroy for jumpers, pants. Cotton for shirts, dresses, pants, etc.  
flannel for pjs, Wool for a coat, jacket, or jumper hair color. Blue jean–  
everyone needs jeans or a jacket, seasonal material for Christmas or  
Halloween dresses. Bring your scraps. Use your imagination!
8. Material for your cat (10" x 6")
9. 1/4 yard of material for the box (where you will store your clothes)  
plus a large button for the box (see the picture)
10. Thread to match all your different material
11. Any kind of trims that you can use to embellish your clothing. This  
could include buttons of all sizes, ribbon, lace, small rick rack, beads,  
elastic, etc. **NOTE: All clothing for doll will need a piece of  
material no larger than 12' x 14". Use up your scraps!**
12. Paper and fabric scissors, pencil for tracing
13. Iron
15. BSS–machine in good working order

### **Don't Forget to Pack those UFOs**

The annual UFO parade at Getaway is loads of fun! It is great to see all the ways members have finished projects started at previous Getaways and other KHQS events. It has been a long spell since we have all been together, so bring all those UFOs and share what you have accomplished!

by Jim Stohr 812-539-4948 [jimstohr@comcast.net](mailto:jimstohr@comcast.net)

I do not grind your scissors, I sharpen them for \$5. And anything else that's dull or needs an edge.

Bring all your dull items to Getaway. All day Wednesday and Thursday morning. Look for my table in the lobby.
